

Dear Parents,

Hebrew and Prayer are taking center stage as we head into the last few weeks of our Religious School year! We begin each class with our Tefilah Warmup, chanting each of the major prayers in our liturgy. We follow up with work on new material and conclude with Hebrew Heavy Lifting (pounding away at our Hebrew reading). All of this is in preparation for the Bar/Bat Mitzvah year ahead and our lives as adult Jews thereafter, I'm proud of the effort and enthusiasm our sixth graders bring to the job!
