

Rosh Hashanah at Home Scavenger Hunt

Look all around your house. Inside, outside, anywhere you want. Can you find:

- 1) Something that is meaningful for your family
- 2) Something that is meaningful for the world
- 3) Something that is meaningful only for you.

Ask your family to participate as well! Come together to have a family discussion about the items you found. Here are some great questions to ask each other and to talk about:

- 1) Why are these items meaningful?
- 2) What did you learn about your loved ones from the items they chose?
- 3) Now that you are thinking about what is meaningful and important to you, can you do anything differently in the coming year based on this information?

Share what you found with us! Email us with pictures or stories at tbsreligiousschool@gmail.com and/or post with #ShanaTovaTBS. We'd love to hear from you!
